

CODSE241F-005

MINULAKA P.G.D.

java version "21.0.3" 2024-04-16 LTS

java platform in NetBeans = JDK 21

libraries and their versions (jar files) = AbsoluteLayout, batik-anim-1.17, batik-awt-util-1.17, batik-bridge-1.17, batik-constants-1.17, batik-css-1.17, batik-dom-1.17, batik-ext-1.17, batik-gvt-1.17, batik-i18n-1.17, batik-parser-1.17, batik-script-1.17, batik-shared-resources-1.17, batik-svg-dom-1.17, batik-util-1.17, batik-xml-1.17, commons-beanutils-1.9.4, commons-collections-3.2.2, commons-collections4-4.4, commons-io-2.11.0, commons-logging-1.3.0, jackson-annotations-2.17.1, jackson-core-2.17.1, jackson-databind-2.17.1, jackson-dataformat-xml-2.17.1, jasperreports-7.0.1, jasperreports-fonts-7.0.1, jasperreports-javaflow-7.0.1, jcalendar-1.4, jgoodies-common-1.2.0, jgoodies-looks-2.4.1, junit-4.6, mysql-connector-j-9.1.0, net.tascate.javaflow.api-2.7.5, protobuf-java-3.21.9, rs2xml, slf4j-api-1.8.0-beta4, stax2-api-4.2.2, woodstox-core-6.6.2, xml-apis-ext-1.3.04, xmlgraphics-commons-2.9.

Important Note

If you want to run my project in NetBeans, please make your java platform to JDK 21. sometimes, my libraries are not loaded to NetBeans. If so, please add libraries to the NetBeans project and run the file. My all libraries are located on, please go to the dist file after go to the lib file. This file has all libraries (jar files).

Project instructions

Username = admin

Password = 1234

I create databases using XAMPP

XAMPP user name is 'root' and no passwords

XAMPP control panel MySQL port number is '4306'
